REPORT AND ACCOUNTS FOR THE YEAR ENDED
31st DECEMBER, 1940.

ADOPTED BY THE GENERAL COMMITTEE AT A
MEETING HELD ON SATURDAY, 3rd MAY, 1941, FOR
PRESENTATION TO THE 42nd ANNUAL GENERAL
MEETING.

I. GENERAL ACTIVITIES.

In normal times the purpose of the Annual Report is to acquaint those interested in the hospital with the fullest possible details of its activities, but having regard to present conditions the subscribers will agree that the Report and consequent expenditure should be limited to the utmost extent.

Despite the very great difficulties occasioned by the war the year under review has proved to be one of continued service to the sick of the district and to those who have most unfortunately sustained injury as the result of Air Raids.

The record of Patients for the year is:

In-Patients

In Hospital on 1st		Discharged cured ...	181
January, 1940 ...	8	„ relieved	25
Admitted during the		„ in statu quo	15

The War Casualties comprised 1 from the Army and 7 civilians, injured in Air Raids.

It is with the greatest regret that the Committee has to record the passing of Mr. Alfred E. Hill, J.P. The hospital thereby loses one more of the small band of survivors of those who formed the hospital in 1897.

Mr. Hill was a subscriber from the very commencement. In 1907 he was first elected to the General Committee and remained a member for the whole of the subsequent period. For several years he was Chairman and in 1932 succeeded Sir Montagu Sharpe, K.C. as President. The Hospital was always very close to his heart and he was a very keen supporter of the work which benefitted to the extent of £250 under his will. Mr. Hill's passing is most deeply regretted by all who knew his kindness and sincerity.

In succession to Mr. Hill, Mrs. David Levi, who has rendered valuable services in the past, kindly accepted the Presidency and the Committee gladly record this further mark of her interest in the well-being of the Hospital.

Following the death of Mr. Hill the question of Trustees again arose and Mr. Leslie N. Brown was appointed to the vacancy, but as a result of Counsel's opinion and legal advice the Committee subsequently decided that the Trusteeship should be permanently vested in Barclays Bank Limited. The alteration has been completed since the close of the year 1940.

Last Spring Miss E. R. Dunster resigned her position as Matron upon accepting another appointment which was offered to her. The Committee is glad to have had Miss Dunster's co-operation in the work and wishes her well in her new sphere.

Miss E. M. Brind who has been Sister since 1936 was appointed to the vacancy and was heartily welcomed by the Committee.

During the Summer Mr. A. Leonard relinquished the Assistant Secretaryship, an office which he accepted at the outbreak of war. Mr. Leonard always carried out his duties most ably and conscientiously and for the very greatest benefit of the work. The sincerest thanks of everyone connected with the Hospital are due to him for his great assistance.

Mr. J. W. E. Brown undertook the duties and has willingly assisted the Committee in addition to continuing with his work as A.R.P. Officer. The Committee offers its sympathy with Mr. Brown in his recent illness and expresses the hope that he will soon be completely recovered.

The Committee fully appreciates the great difficulties which have attended the work of the Honorary Consulting and Medical Staff on account of the absence of so many of their colleagues—some in the Services and others on Civil Defence. To those who have remained the very sincerest thanks are accorded. The absent ones, particularly Dr. Weston (who is a prisoner of war), have the very best wishes of the Committee which looks forward to their safe return.

Mr. A. Mack, L.D.S., R.C.S., has been appointed an Honorary Dental Surgeon

The Nursing work has been assisted by members of the War Auxiliary Nursing Service who have most willingly helped. It is felt that special reference should be made to Mrs. Dixon and Mrs. Taylor who have rendered able services in this connection since the commencement of the war.

The Committee has endeavoured efficiently to maintain the Hospital equipment and to this end have provided the new Dressings Steriliser and the cupboard for Theatre Instruments referred to in the last report.

In November a Pound Week collection was energetically organised by a band of ladies led by Mrs. Levi and the result was most gratifying. The Hospital benefitted by over 2,000 pounds of goods and £30 in cash. To everyone who helped, whether by working or giving, the Committee offers it very hearty thanks.

II. LADIES LINEN LEAGUE

President: Mrs. D. Levi, Vice-President: Mrs. F. Jeffrey,
Chairman: Mrs. Elliott, Treasurer: Mrs. A. Wright, Honorary Secretary: Mrs. D. E. Ross.

Members of Committee: Mesdames Aldridge, Fogden, Hawkes, Leegood, Landsdowne, Parmenter, Southerwood, Young.

The Linen League has carried on successfully throughout 1940, despite many difficulties. Many of the Committee members and subscribers have been evacuated, and this, coupled with the disturbing events of 1940 has made the work doubly hard. It is hoped this year to be able to settle down again with a re-organised Committee and an appeal is made for more subscribers. The subscription is from one shilling per year, and while it is realised how many calls there are on the pocket these days, it is felt the subscription is small when one considers the great work our hospital does. So—MORE SUBSCRIBERS, PLEASE. Any member of the Committee will be only too happy to take your money!

At the time of writing this report the League has just lost a dear friend and Vice-President, Mrs. F. Jeffrey. Those who have worked with her for so many years realise what a great helper the League, and the Hospital, have lost. The Committee would like to put on record an appreciation of her work, and a sincere thought of sympathy for her husband and family.

D. E. ROSS,
Honorary Secretary.

(The above paragraphs are a Report of the Honorary Secretary of the Ladies Linen League, but do not refer to the fact that a large quantity of Linen and new Sterilising Drums to the total value of over £120 have been presented to the Hospital. The Committee desires to record the above gifts which warrant a very special word of thanks).

III. FINANCE

Although the past year opened with dark clouds on the horizon, in the shape of a deficit and the prospect of a contracting income coupled with increased expenditure, our worst fears have not been realised. On the contrary, the Hospital is in the happy position of being able to record a slight excess of income over expenditure—surely something of an achievement in these days! As was to be expected, expenses have increased, but this has been more than counterbalanced by increased revenue. Actually Income is up by £321, largely accounted for by increased receipts from Patients and their Societies. A contribution of £114 from the Ministry of Health has more than offset a falling off in voluntary gifts.

It is satisfactory to note that Subscriptions have not shown the decline that might have been expected and the Hospital is grateful to its subscribers for their continued support. While a few have fallen out (in some cases regrett-

ably by death) it is pleasant to notice the reappearance of some old names as well as some newcomers to the list.

Donations show an apparent decrease of nearly £100, but when the loss of Carnival revenue is taken into account, the position under this head is highly satisfactory. Flag-Day receipts at £78 reach a record figure and Pound Week, which produced £30 amply justified itself and more than rectified the omission of Pound Day in 1939.

Box collections at £118 show little falling off in the aggregate compared with last year and in spite of some diminution in individual boxes, the receipts for Hanwell manage to show an increase. But for difficulties in collecting the Greenford boxes the total might well have been higher than last year's. Once again, the laurels (and our best thanks) go to the King's Arms. We are grateful indeed to Mr. Legge for having so kindly undertaken the important work of Box collecting in these difficult times.

On the Expenditure side, the increases £241 have occurred mainly under two heads, viz. Provisions and Domestic. The former accounts for £102 and the latter for £127—chiefly under Fuel and Light for reserve stocks of Fuel. These increases are to be expected and it is satisfactory that there are not more of them. Variations under other heads call for no special comment.

The present state of the Extension Fund account is shown on page Owing to further payments on account of the new basement and the restricted opportunities of acquiring fresh income, the balance is lower by some £240 than it was last year. By a recent edict of the King Edward Fund all legacies not specifically earmarked must go to General Fund and thus the Extension Fund was deprived of the very acceptable legacy from our late President.

The one social event arranged for the benefit of the Fund was a Garden Party organized by the new President, Mrs. David Levi, and Alderman E. H. and County Councillor Mrs. E. A. Brooks. Mr. and Mrs. Brooks most kindly offered the facilities of their charming house and garden and the function was opened by Lady Salmon. The effort was highly successful and resulted in the addition of £54 to the Fund. The hospital owes a debt of gratitude to all those who contributed to the success of this happy venture.

It would be ungracious to conclude this necessarily brief survey of the year's finance without paying tribute to the loyal and untiring work done by the Assistant Honorary

Treasurer, Mr. R. P. Bradley, whose services have again been invaluable and demand our warmest thanks.

IV. A.R.P.

The material precautions described in last year's Report have this year been followed up by the recruiting of the necessary personnel for fire-watching and other A.R.P. duties and, thanks to the public spirit shown by local residents, this organization has now reached a highly efficient state. The Rota of night-watchmen at the Hospital consists of Messrs. Clements, Fox, Gorton, Harris, Holm, Jackson and Webb. These gentlemen each take duty one night a week. They have been supplied with steel helmets and respirators. The residents of Green Lane have provided a Fire Fighting Squad of over sixty strong. This is in charge of Mr. Shaw in collaboration with the local A.R.P. Post under Mr. Pope. A vacant shop opposite the hospital has been acquired as headquarters and members have provided their own equipment from funds raised by house-to-house collections. Altogether they are a highly efficient body and they are making the safety of the Hospital their special care. The debt to them is great. Special thanks are also due to Mr. Jackson, who is a Warden from West Ealing, for so generously making himself responsible for the supervision of the Hospital's A.R.P. Squad.

Owing to the depredations of the weather it has been necessary to replace the sandbags by a 14 inch brick blast wall. This has been done with the approval and at the expense of the Ministry of Health. Additional expense has also been incurred in overhauling the black-out arrangement and this has proved a difficult problem.

Fortunately, air raid damage to the Hospital has so far been confined to broken glass and a damaged ceiling, all of which has been made good.

During the autumn raids the whole of the staff off duty slept in the new shelter. For this purpose, camp-beds, mattresses, blankets, etc., had to be provided and electric radiators were installed for heating during the cold weather. The new boiler-house has been fitted with cupboards and shelves for the reception of protective clothing and other A.R.P. appurtenances and stores.

V. EXTENSION

In view of the possibility of increased work being thrown on the Hospital owing to air raids, the question of proceeding with the extension, or at any rate the domestic part of it,

has received the careful attention of the Committee. While it was felt that there were strong grounds for undertaking the work, notwithstanding War conditions, the concurrence of the Ministry of Health could not be obtained and so the matter, to the Committee's regret, must remain in abeyance for the time being.

VI. THANKS

In conclusion, the Committee desires to express its deep gratitude to all those who, in such difficult times, have so generously helped the Hospital. It is of course impossible to refer to everyone by name but in addition to those already mentioned the Committee would refer to the Subscribers. Box-holders and Collectors, the Honorary Architects, the Honorary Solicitor, the Honorary Auditors, the Local Press, the Executive Officers and finally, Matron, Nurses and the general Staff of the Hospital.

ADDENDUM. Just as this Report is being closed the news comes of the death of still another very old and dear friend of the Hospital.

Mr. J. R. Workman has passed away.

He had interested himself in the work for very many years and had its welfare always before him. In 1922 he was elected a Trustee and in 1932 succeeded the late Mr. Alfred Hill as Chairman of the General Committee, which latter Office he relinquished in 1937 on account of failing health.

Mr. Workman's kindness and thought for the well-being of the Hospital and the Patients will be long remembered by those who knew him.

The Committee has, on account of the illness of Mr. J. W. E. Brown, elected Mr. L. Lane Heardman, Assistant Honorary Secretary, and communications may be addressed to him at:—

TO THE SUBSCRIBERS OF THE HANWELL COTTAGE HOSPITAL.

We have audited the Accounts of the Hospital for the year ended 31st December, 1940, and are of opinion that the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of affairs of the Hospital according to the best of our information and the explanations given to us and as shown by the books of the Hospital. The Monthly Payments and Receipts from Patients are vouched and passed by the House Committee. To the best of our knowledge and belief the regulations of the Revised Uniform System of Hospital Accounts have been followed.

URGENT APPEAL

The assured annual income of the Hospital from Subscriptions has averaged over the past five years only £203 per annum. This totally inadequate amount, which is unworthy of this large and growing district, could very easily be doubled or trebled if all Subscribers and other friends of the Hospital would make a determined effort to that end.

WILL YOU HELP ?

REMEMBER

A yearly subscription of half-a-guinea represents a mere $2\frac{1}{2}$ d a week—a donation well within the means of all but the very poor.

Having realized this DO PLEASE get busy among your friends—they could not refuse these few coppers weekly in this great cause.

Here is a summary of the ways in which you and your friends can help :

A. By becoming a Subscriber.

If desired a subscription-box could be taken, in which amounts could be put weekly or monthly.

B. By becoming a Box-holder.

Boxes could be passed round the family each Sunday, when friends are present and on other special occasions.

C. By making gifts in kind, especially during Egg Week and on Pound Day.

D. By selling Flags on Flag Day.

E. By enrolling on the Panel of permanent Ticket Sellers for Whist Drives, Concerts, Plays, etc.

F. By becoming a house-to-house Collector.

If you are willing to offer your services under one or more of these heads, please notify the Honorary Secretary at the Hospital, marking your envelope 'Appeals'.
